

MARCH *Into* READING!

WHAT IS MARCH INTO READING?

March Into Reading is an annual JJS initiative to encourage families to read aloud with children at home. There is a contest with cool prizes that support building habits and a love of reading. We also invite JumpStar Readers to Zoom into our classrooms so that reading is highlighted at school through the month. Winners will be announced at our Literacy Celebration on Saturday, March 27 where we will also hear stories from Guest Author, Minh Le. Read on, JumpStarters!

*with Jubilee
JumpStart!*

**Monday, March 1st -
Friday, March 26th, 2021**

"Mega Marching Classroom "
**A Rainbow Party with Ms. Dee
Dee** - Classroom with the most participation

HOW ABOUT A BEDTIME STORY?

Bedtime Stories are read by parents live on our Facebook group page - Jubilee JumpStart Family Connection. All families are invited to tune in at 7 PM, on Tuesdays through Fridays to enjoy a story. Parents can click [here](#) to sign up as a Bedtime Storyteller.

On Mondays at 7 PM, teachers will be Bedtime Storytellers in the same spot.

Watching live or later both count toward a family's home reading time. All videos will stay on the group page. Earn credits by leaving a comment whenever you watch a Bedtime Storyteller video.

ARE YOU READY TO MARCH INTO READING?

1. Receive an electronic reading tracker via Remind. (See Ms. Patty for help.)
2. Turn in the electronic tracker on Mondays by 10 AM and choose a free book during pick-up time.
3. Sign up to be a Bedtime Storyteller.
4. Leave a comment on the videos you watch on the FB group to earn reading minutes.

Join us virtually,
Saturday, March 27,
2021, at 11 AM, to
celebrate everyone who
participated in the
contest and announce the
contest winners.
