Jubilee JumpStart is an innovative early childhood program providing excellent education and care for the city's neediest children.

Our high-quality, evidence-based program serves 48 children ages birth to 5 years. It focuses on a child's social and emotional well-being, in partnership with families and the community.

We have earned NAEYC accreditation, the top ranking a center can achieve.

"Jubilee JumpStart is a truly special place—100% devoted to each child and family. We wish every child could go here. The center has been refuge from the pandemic for our children."

—Justine and Rachel Colson
